The Bluster

(Coding Competition)

Co-event- Code Golf

Registration Fees: RS. 100/- per Student

Rules & Regulation :

- ✓ This is an Individual Event.
- ✓ Interested candidates must register themselves, by paying the registration fees with their preferred programming language (C/C++/Python/Java).
- ✓ This event consists of several rounds.
- ✓ Participants whose code gets executed will be given higher preference.
- ✓ The second preference will be given to code with least number of errors.
- ✓ In case of tie, number of errors and timing will be considered.
- ✓ Shortlisted participants from one round will appear for next round for which all the above rules will be applicable.
- ✓ Each participant will be given a single computer and he/she must write and test their programs on that computer.
- ✓ Candidates are not allowed to consult with any external sources during the competition. Candidates involved in any malpractices will be disqualified automatically.
- ✓ Judges' decisions are final.

Co-Event -Capture The Flag

Registration Fees: 200/-per Team

Rules & Regulation :

Prohibited -

- ✓ **Don't delete flags or break services.** While organizers try to maintain challenge resilience, mistakes will be made. Instead of abusing them, report them to organizer for kudos.
- ✓ **Don't share flags or ask for flags.** It's a competition, do your personal best.
- ✓ Attack any machine other than those designated
- ✓ Perform DoS attacks on the CTF infrastructure
- ✓ Intentionally prevent other teams from finding flags
- ✓ Share answers on challenges with anyone before the end of the competition.
- ✓ Register multiple accounts

Regulations -

- ✓ Participants need to bring own laptop and required accessories for the CTF
- ✓ Only the Space, Table, Sitting Arrangement and one Plug Point electric supply will be provided by the university.
- ✓ Team can be built up with minimum 1 person and maximum 2 person.
- ✓ If any malpractice found, participation will be cancelled at that moment.
